Call to Worship

Rev. Dr. Anthony Hood

Leader: This evening we celebrate the bright light in the night and the holy Mystery God will present to the world.

People: **We are amazed as we barely understand the many ways you break into the world and into our lives, yet we know you do.**

Leader: The whole earth still needs your peace, as we see people in conflict and nations in crisis.

All: **May the ancient story of your arrival this night make us courageous bearers of your good news, as we become instruments of good deeds, which will reflect the hope, faith, joy and love for the world in our darkest moments. Help us to also be your everlasting light to a struggling world in the name of God, through Jesus Christ and the power of your Holy Spirit, Amen.**
